

## MASSACHUSETTS BREAST CANCER COALITION

---

Dear Friend,

The state's leading breast cancer organization, Massachusetts Breast Cancer Coalition (MBCC), is hosting the 20th Annual Lesbians & Friends Dance. On Saturday, October 21, 2017. The LGBTQA community throughout Massachusetts will attend this night of festivities to raise funds for breast cancer prevention. We hope that you will join us for this important and fun event. All proceeds benefit MBCC and our work towards the prevention of breast cancer.

Currently, one in eight women will be diagnosed with breast cancer throughout the course of her lifetime. This is unacceptable. We need to work together to increase our prevention efforts. Donations like your own make our events successful year after year, while giving us hope to reduce the high incidence rates of breast cancer.

The silent auction is an ideal opportunity that can benefit your company or business, while also supporting MBCC's important mission towards breast cancer prevention. Donors will be listed in the event program and any merchandise you choose to provide for the auction will be on display throughout the event. All donors will also be listed on event notifications and invitations.

Please help women and families affected by breast cancer with a donation in 2017 by filling out the silent auction donor form below and emailing it to me at [cherylosimo@comcast.net](mailto:cherylosimo@comcast.net) no later than **Friday, September 1, 2017**. We also welcome you to join our mission towards prevention as an event sponsor. If you are interested in expanding your support of MBCC and/or have any questions regarding event sponsorship, please contact me for more information.

I invite you to visit [www.mbcc.org](http://www.mbcc.org) for more information about breast cancer and breast cancer prevention. I look forward to working with you in 2016 at our 19th Annual Party for Prevention!

Sincerely,

Cheryl Osimo
