

February 19, 2014

Ms. Cheryl Osimo
Executive Director
Massachusetts Breast Cancer Coalition
333 Weymouth Street, Suite 13
Rockland, MA 02370

Dear Ms. Osimo,

We are delighted to inform you that the Massachusetts Breast Cancer Coalition has been selected as an honoree of **the one hundred** in 2014. Created and sponsored by the Massachusetts General Hospital Cancer Center, **the one hundred** is an annual event celebrating individuals and organizations who are leading the fight against cancer. They are caregivers, researchers, advocates and philanthropists. They are people like you, who have dedicated themselves to making a difference. This year we received nearly 1,000 nominations from around the world. Congratulations on your selection by our dedicated faculty, staff, and supporters.

We look forward to celebrating this honor with you at our seventh annual dinner on **Tuesday, June 10, 2014** at the Westin Boston Waterfront. The evening program will highlight a selection of honoree stories, and it will feature ground-breaking work that will contribute to our generation's conquering of cancer. Funds raised at the event will support the Cancer Center's patient care, research, education and community outreach programs. **We have reserved two complimentary tickets, for representatives from the Massachusetts Breast Cancer Coalition.**

I am also pleased to share that you and your fellow 2014 honorees will be featured in a limited-edition tribute book, on **the one hundred** website and in social media. Closer to the event you will have an opportunity to review excerpts from your nomination that will be used in the tribute book and the website. A staff member from **the one hundred** team will contact you in the coming week to schedule a photo session.

Please confirm you will accept this honor **by Monday, March 17** by contacting Jenn Ryan at jryan30@partners.org or 617.643.6785. To learn more, visit our website theonehundred.org and follow **the one hundred** on Facebook, Twitter and Instagram.

Again, congratulations on this outstanding recognition. Please know how valued you are in the cancer community and how grateful the team at the Mass General Cancer Center is for all you do to advance the fight against cancer.

Sincerely,

A handwritten signature in black ink that reads "Daniel A. Haber".

Daniel A. Haber, MD, PhD
Director, Massachusetts General Hospital Cancer Center
