

## MASSACHUSETTS BREAST CANCER COALITION

### Information for Against the Tide Team Captains and Team Members

**Thank you for participating on a fundraising team for the 2024 Against the Tide! Proceeds from this event support breast cancer prevention.**

#### Team Captains

For information about managing your team, please use this helpful Race Roster support link – [click here](#).

#### Team Members

When you log into your Race Roster account at [RaceRoster.com](https://RaceRoster.com), you can visit your participant dashboard. Click on View registration in the event description square to find links to invite friends, edit your fundraising page, send emails requesting donations, and share your fundraising page on Facebook and Twitter.

**When you wish to email friends and family to invite them to register or donate in honor of your participation, it is best practice to send the links on your dashboard.** Copying them into your emails sends a Race Roster link that will allow the recipient to be included on your team, or donate to you and your team, automatically, without any extra steps.

Your contact may also donate to you and your team by going to [mbcc.org/swim](https://mbcc.org/swim) and selecting the blue button with the Against the Tide venue at which you will participate. They will land on the Race Roster registration page. To support you, they will click on **Donate to a participant** in the **Event details** menu, which may appear at the top of the page or on the left side, depending on the size of their screen. They will key your name into the **Find a participant to donate to** search box. Depending on the screen size, the Find a participant search box may appear on the left side or below the other event information.

If your contacts prefer not to donate online, or choose to donate through a donor-advised fund, they are welcome to **send checks**. Please ask your contacts to be sure to **include your name and team name** when making the donation. The mailing address is:
